### Ancient Greek inventions

Although it was long ago, ancient Greeks are often credited with many of the great inventions and discoveries.

*Research some of the inventions and discoveries that the ancient Greeks were responsible for.*

### Great Greeks

Research the life and work of a famous Greek scientist or philosopher of your choice.

*Write a biography.*

### Greek Parthenon

Research what a Greek Parthenon is, and either sketch a ruin, or draw how it might have looked when in use.

### Greek Myths

Greek myths were epic stories about Greek gods, passed down over generations. They often feature heroic battles and mythical creatures (often made of parts of various animals, eg the centaur half man half horse). They taught the importance of bravery, intelligence and right/wrong.

*Can you create your own mythical creature and include it in your own myth?*

### Build an ancient Greek helmet

There were many different types of Greek helmet. Research the different types, then design and make a helmet of your choice.

You can find some ideas here:

### Leisure Time

Imagine you are living during ancient Greek times, without the luxuries of television and computer games.

*Write a plan of what you might get up to.*

### Smashing!

Greek plate smashing has been a tradition that has spanned across many centuries.

*Create a PowerPoint about the tradition of plate smashing.*

### Forces

Greek soldiers would often use catapults to propel heavy objects with great force at their enemies.

*Design and build your own catapult, and consider which scientific forces are acting upon it.*

### Olympics

In 776 B.C.E, about three thousand years ago, the first Olympic Games took place. Originally, the games were part of a religious festival to honour the Greek god, Zeus.

*Create your own mini Olympics with your friends and/ or family and take some photos.*
