

## Music

Can you identify a current piece of chart music that has developed or evolved from a previous chart hit? For example, Dua Lipa reinvented Olivia Newton-John's Physical from the 1980s.

## RE

Consider this question.

*What does it mean to have faith?*

You can present your ideas through a presentation, a drawing or however you feel appropriate.

## English

Write a letter of advice to someone who is due to move to secondary school in September.

Include information on how to be a good friend, how to make new friends and what to do if something is making you feel unhappy.

## Art

Divide an A4 sheet of paper into four and sketch an image of a tree in each of the four seasons to show how it transitions over time.

## Year 6 – Summer Term Topic Homework Grid Transitions and Relationships

Throughout this term, each week, choose one of the homework activities from this Topic Homework Grid to complete.

Take photographs and send them in to the Year 6 email!

## History

Create your family tree.

Get as creative as you like!

## Science

Draw an outline of a family member's face using light and shadow.

### Steps

1. Put the chair against a wall and ask a family member to sit in it sideways.
2. Hang the paper on the wall behind your family member's head.
3. Set up a flashlight so that it shines on the paper to make a shadow.
4. Use a pencil to trace the outline of your family member's head.

## Geography

Plot your journey to your new school by drawing a map. Your map must include a key that shows roads, rivers, pathways, pedestrian crossings, roundabouts, bus stops and local facilities such as shops and places of worship.
