

Walk to School Week—week beginning 17th May 2021

Throughout the week beginning 17th May, we will be joining other schools across the country to engage with 'Walk to School Week'. The aim of this week is to allow pupils to experience first-hand the positive effect an active and healthy lifestyle can have on our physical and mental wellbeing. The month of May is National Walking Month so 'Walk to School Week' ties in well with this and we hope to see lots of children choosing to travel sustainably to school whether by walking, cycling, riding a scooter or even jogging!

Further information will follow in a whole school letter to be sent out next week.

Inter-MAT Athletics Competition

On Wednesday 28th April, Year 3 took part in an Inter-MAT athletics competition. The competition had 5 events: long jump, shot putt, 60m sprint, 60m hurdles, 800m run. After the first two events, Perry Hall had accumulated a grand total of 0 points, so we were looking to the final 3 events to pick up some points. The next two events saw us pick up a gold medal and a silver medal meaning we had leapfrogged into joint second place with one event remaining - 800m run. After a nervous wait, the results were in, and Perry Hall achieved a final gold medal to propel us into the winning position! A fantastic effort by all, and a huge well done to all who took part in the first ever Perry Hall Inter-MAT athletics competition.
