

Inter-MAT Athletics Competition

This week saw Year 4 taking part in our MAT Athletics competition. After last weeks success, expectations were high and so was the Year 4 motivation! The competition started in the same way as the previous competition, 0 points from the first two events. Not the start we wanted! However, the Year 4 team came roaring back into life with a 50m sprint 1st place medal meaning Perry Hall were on the score board. The next event was the 60m hurdles and we needed to get on the podium to have any chance of victory. This event kept hopes alive with a 2nd place podium finish. It was all down to the last event, the 800m, and we needed to win it! After a long wait, Perry Hall grabbed 2nd place to finish joint 2nd overall. A fantastic resurgence considering our start. Well done to the Year 4 team! A fantastic effort by all involved.

Can you spot Reception's Scarecrows?

This week Reception have worked together to plant some vegetable seedlings. First, we needed to prepare the vegetable patch, we carefully used tools to pull all the weeds out and dig over the soil. We talked about birds eating our seedlings and decided to make two scarecrows to frighten off the birds. We had a competition to design a frightful scarecrow face. Mr Boneham was the judge and chose the scariest designs to complete the Scarecrows. We drew some pictures of our seedlings and predicted what they might look like when they are fully grown. Finally, we planted our vegetable seedlings and protected them with our Scarecrows. We can't wait to watch our vegetables grow!

See if you can spot our scarecrows as you follow the one-way system!

Please encourage your children to look and not touch the Reception children's vegetable patch. Thank you for your support.

Royal Mail– Heros Stamp Design Competition

If there are any children still working on their stamp designs, these need to be returned to school on Monday 17th May at the very latest in order for them to be sent off.

Important Dates

Perry Hall News!

Friday 14th May

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Walk to School Week—week beginning 17th May 2021 *Join Perry Hall Primary School in celebrating Walk to School week.*

Are you up for the challenge?

Pupils are challenged to travel sustainably (walk, scooter, cycle or park and stride) to school each day for one week and will be given a reward chart to track their progress and a certificate of achievement for each walk completed. Please note—bikes/scooters cannot be left at school during the school day. For pupils who live too far away from school to walk and usually travel by car or bus, even parking a little further away counts!

Walking to and from school gets your children moving, helping them reach their daily exercise goals. There are other big benefits too:

- Walking helps children arrive at school wide awake and ready to learn.
- It improves mood, reduces stress, increases focus, and improves sleep, enhancing brain power and performance in class.
- Walking means fewer cars, which means cleaner air, less traffic and congestion.
- Walking helps build strong, healthy bones and muscles.

NSPCC Number Day 2021—Friday 7th May – THANK YOU!

Thank you for your support with 'dressing your children in digits' and for your monetary donations to support the invaluable work of the NSPCC on NSPCC Number Day last week.

The children had great fun engaging in **lots of mathematical fun.**

We **raised** a grand total of **£211.73**— **thank you** to everyone who donated!

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.

Two's Provision AM Harry B	Two's Provision PM Carter T
