

**THANK  
YOU!**

### Gifts for Staff

We have had lots of requests from parents/carers about whether end of year thank you gifts can be brought into school for staff this year.

Although there is absolutely no expectation, we have decided that gifts will be kindly accepted this year which staff can then quarantine.

### Year 6– Remote Learning

A huge well done to all of our Year 6 children and staff who have been isolating due to a positive case of coronavirus within the year group.

Thank you to staff for pulling the online learning provision together so quickly and to the children and their families who have engaged with our online, live learning sessions– it is great to see so many children not having to miss out on their learning despite not being in school.

We look forward to seeing our Year 6 bubble back in school on Tuesday 13th July, ready to enjoy their last week at Perry Hall Primary before they leave us to begin their secondary school journey.

### Year 1 Experience Day

As part of their 'Castles' topic, the children in Year 1 enjoyed a visit from some birds of prey followed by a medieval banquet this week. The children looked fantastic dressed for the occasion in their Knight and Lady of the Castle outfits. They had a great time learning about the different birds that would have been used for hunting or as a show of status in medieval times including a kestrel, a hawk and a spectacled owl. The children even got to stroke a baby grey owl which they all said was very soft and fluffy. Both the birds and the children were very well behaved, with the children asking the falconer lots of questions. The medieval banquet was enjoyed by all where the children had chance to show off their medieval dance moves!
