A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

13th and 14th July– The Soccer Star Challenge– Sponsor Event

Thank you so much for supporting our Soccer Star Challenge sponsored event. We were completely overwhelmed with your donations and are thrilled to announce that **you raised a grand total of £3,579!** It was a fantastic two days during which the children had great fun taking shots at an inflatable goal – totalling up their speed and score. With your donations, we look forward to investing in more sports equipment for the children of Perry Hall to enjoy.

Beat The Street

'Beat the Street' is running in Wolverhampton again between 20th July and 17th August. Beat the Street is designed to encourage the children and their parents to be physically active over the summer to improve their physical and mental health and boost the body's natural immunity. You may have noticed there has been a 'Beat the street' sign put up on the lamppost outside school with a contactless 'Beat box' underneath, this is one of many around Wolverhampton and the idea is that children explore the local area looking for the 'beat boxes' and use their game card on them to score points. Of course, points mean prizes, so the top school teams with the most points will win hundreds of pounds worth of vouchers. Individuals can also win Lucky Spot prizes, including vouchers, cuddly toys and Beat the Street goodies. For more information, please see the pack brought home by your child today and use: <https://www.beatthestreet.me/wolverhampton/>

Transition– preparation for next academic year

Today, if your child is in Nursery to Year 5, they will have spent their morning with their new year group staff in their new classrooms. Lots of exciting activities have been planned in order for staff and children to get to know each other and to begin their preparations for next academic year. Yesterday, you received a text with a link to your child's new year group transition powerpoint and a range of transition activities that your child can access over the summer holidays if they wish. <https://www.perryhall.co.uk/class-information-2021-2022/>. I hope you find these useful.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
