

Getting to know you

Draw a picture of you and your family. Ask your grown-up to help you to label the different people in your family - you could even include your pets.

Year Reception

2021/2022

Holiday Transition Activities

Please email us with any completed tasks by Monday 6th September 2021

ph.receptionhomelearning@perryhallmat.co.uk

Emails can be sent in anytime from Friday 23rd July and will be responded to when school reopens in September.

Number challenge

Be a number detective and investigate numbers all around you.

- What number is on your front door?
- Do you know numbers on a clock face?
- What numbers do you see when you go for a walk?
- How old are you?

Can you try writing these numbers?

Using the bathroom independently

Please encourage your child to use the toilet independently. This includes: flushing the toilet, washing their hands with soap and water and remembering to dry their hands.

Put your coat on challenge!

During the first half term, the children will be encouraged to put coats on by themselves and fasten them.

Every child who can do this by October half term will be rewarded with a certificate.

Lunchtime

Lunch box

Whilst shopping, encourage your child to explore a variety of healthy food options to have in their lunch box

School meal

Practise using a knife and fork to cut up your meals.

Name writing

Practise writing your first name independently. If you can already write your first name, practise writing your second name too.
