School Motto and Core Values

School Motto: Perry Hall Primary, a place to grow in confidence, creativity and ability.

At Perry Hall we are:

- **Respectful**
- **Caring**
- **Determined – never give up**
- **Enthusiastic**
- **Independent**
- **Motivated.**

The Curriculum

Parents and carers will receive a termly topic grid at the beginning of each term, which will outline the foci for the skills and knowledge related to the teaching and learning. These will also be uploaded onto our school website.

The topics for next year will be:

Autumn	Spring	Summer
The Romans	The Anglo Saxons	The Vikings

- Staff work as a year group team- they plan together and the whole team are aware of all of the children's needs.
- Whole school long term plans can be found on our school website.
- All school visits are planned with these topics in mind to help facilitate learning, trips will need to be paid for in full before the visit takes place. Visits will unfortunately be cancelled if insufficient funds are collected.
- Clubs, after school, will be available throughout the year for children to attend. Letters will be sent out each term to confirm what clubs will be on offer.

Setting and Groupings- Y1-5

Mathematics, English, Science and non-core subjects

This year, children will work in two mixed ability groups for Mathematics, English, Science and non-core subjects (usually their classes). Both groups will deliver the same planning to ensure consistency across the year group.

Additional support will be given in smaller groups should this be required.

There may be times when your child will receive additional support to enhance their learning—interventions take place for all abilities; every effort is made to ensure that children do not miss out on any parts of the curriculum. These interventions may also take place before and after school.

Assessment

Throughout the year, we will be assessing your child's progress to ensure that they are working to their best possible potential.

It is expected that your child will be working securely within their age-related band by the end of the year (see yellow highlighting).

National, statutory assessments

- **Year 1** will take part in national, statutory phonics testing in June.
- **Year 6** will sit the national, statutory Key Stage 2 SATs in May.
- **Year 4** will carry out the national, statutory Multiplication Tables Check in June.

Perry Hall's Summer Reading Challenge

Over the summer holiday, your child has the opportunity to complete our Perry Hall Reading Challenge.

We are challenging the children to read 10 books that capture their interest.

Your child will be sent home with a reading record that they can use to track how many books they have read.

When they give this booklet back to their class teacher in September, they will be awarded with a certificate of achievement for their brilliant effort.

Name of the Book	What did you think? Circle the emoji that best represents how you feel	Would you recommend it?
	😊 😊 😴	
	😊 😊 😴	
	😊 😊 😴	
	😊 😊 😴	
	😊 😊 😴	

As well as reading library books, or books you may already have at home, your child will still have access to their MYON account through the summer.

This can be accessed at:

<https://www.myon.co.uk/login/index.html>

A Place to Grow

Perry Hall's Summer Maths Times Tables Challenge (Year 1 – Year 6)

Multiplication has a tremendous impact on all areas of maths; it is important that your child regularly practises their times tables at home to develop this skill. Children can learn their multiplications in many different ways and what works for one child, may not work for yours. We encourage parents to try a variety of methods including: rote, games and singing. Please practise and ensure that your child knows:

Expectations for times tables for each year group	
Year 1	Count in multiples of 2, 5 and 10. Recall and use all doubles to 10 and corresponding halves.
Year 2	Recall and use multiplication and division facts for the 2, 5 and 10 times tables including recognising odd and even numbers.
Year 3	Recall and use multiplication and division facts for the 3, 4 and 8 times tables.
Year 4	Recall and use multiplication and division facts for tables up to 12 x 12
Year 5	Revision of all times tables and division facts up to 12 x 12
Year 6	Revision of all times tables and division facts up to 12 x 12

As a school, we offer the use of Times Tables Rock Stars. All pupils in Year 2-6 have a login and can access this to help them practise.

School Behaviour Policy

We aim to foster an environment which is rich in learning, based upon the diversity of the school. The expectations for behaviour should reflect this, inclusive of the children, parents, staff and the wider community. The Governing Body and the staff accept this principle and seek to create an environment which encourages and reinforces good behaviour.

Our school's 'Good to be Green' scheme...

We strive to adopt a fair approach to behaviour management within our classrooms, offering a range of motivational rewards to help keep positive behaviour on track through the use of our Good to be Green scheme.

We are currently making a transition between our adapted Covid-friendly Good to be Green system and our original system. You will receive further information regarding this closer to your child's return to school in September.
