

All about me

Create a project all about yourself ready for your new teacher. This can be done as a poster, fact file or anything else that you think would be interesting.

Remember to include lots of information about yourself such as what you like / dislike, what you are good at, what new things you would like to try and anything else that you think your new teacher may find useful to know.

We look forward to seeing your projects and learning all about you.

Year 2

2021/2022

Holiday Transition Activities

Please email us with any completed tasks by Monday 6th September 2021

ph.y2homelearning@perryhallmat.co.uk

Emails can be sent in anytime from Friday 23rd July and will be responded to when school reopens in September.

The Gardener

During the holidays, we would like you to look at growing a flower or vegetable of your choice. Think about: what it needs to grow and then what would happen if it didn't receive any of these?

Holiday Fun!

Build memories with your family and create a picture collage completing the following activities:

- ✚ Create a puppet show for others.
- ✚ Go for a picnic.
- ✚ Do some gardening.
- ✚ Go on a bike ride.
- ✚ Play a game of football.

The Year 2 Perry Hall Bake off Challenge

Design a cake or cupcake on a piece of paper.

Label it with all the ingredients and then the toppings you would like. Take a picture and send it into the Year 2 email address. A winner from each class will be chosen.

The Athlete

During the holidays, can you create your own Olympic Event?

This can be as wacky and as fun as you can possibly think of!

Try and get your family to join in with you.

What have you done over the summer?

Write about it, draw about it or send us some photos!

Something Fun I Did During the Summer!
