

Transition T-Shirt

All of the Year 6 teachers are really looking forward to getting to know you. Before you come back in September, have a go at designing your own Transition T-Shirt on paper with information about yourselves.

Year 6

2021/2022

Holiday Transition Activities

Please email us with any completed tasks by Monday 6th September 2021

ph.y6homelearning@perryhallmat.co.uk

Emails can be sent in anytime from Friday 23rd July and will be responded to when school reopens in September.

Year 6 Roles and Responsibilities

In September, we will be asking people to apply for the following roles:

- Prefect
- School Council
- Eco Warrior
- Play Pals

Over the summer, you can begin to think about why you may want to apply for these jobs and what would make you suitable for the role.

Have a go at writing a short application for one of these roles.

Personality Cloud

Pick 6 adjectives that best describe your personality and add them to your cloud.

Survival

Our main topic in Year 6 is SURVIVAL. What does this mean to you?

You can either:

- Draw a model
- Create a mood board
- Write a presentation
- Compose a song or rap

Be prepared to share these with your peers in September.

The Summer Reading Challenge

This summer, challenge yourself to read 10 books that grab your attention! Bring back your completed reading record in September to earn your certificate!

Our first class text is going to be *Letters from the Lighthouse* written by Emma Carroll. You might want to have a sneak peak!

Memories

Draw 4 photos to capture your favourite memories of things you have done since you were last in school.
