

Monday 5th July

Dear parent/carer,

We have been made aware that a Year 6 child at Perry Hall Primary School has tested positive for coronavirus (COVID-19) using a Lateral Flow Test.

We have followed the Local Authority guidance and have identified that your child has been in close contact with the affected child. In line with this guidance, your child must stay at home and self-isolate until you receive further information from the school (once we have received the outcome of the identified child's PCR test).

If the identified child's PCR test returns as a positive result, your child will need to self-isolate until the end of the day on 12.07.21 and can return to school on 13.07.21. If the identified child's PCR test returns as a negative result, your child will be able to return to school.

We plan for online lessons to begin tomorrow morning (06.07.21) and will send you a timetable of these live sessions later today. Please can you check that your child can log into their Teams account- any problems with either log in or password details, please email the Year 6 email account by 2pm this afternoon who will be able to support you: ph.y6homelearning@perryhallmat.co.uk.

Links to activities that your child can tackle for the rest of today have been emailed out to you.

If your child does not have access to a device in order to be able to access live learning sessions from tomorrow, please inform us either through the year 6 email account or via the school office by phone.

Thank you for your understanding and support.

Yours sincerely

Mrs C Gibbins
Acting Head of School.
