Settling into our new routines...

We have had another fantastic week in school this week, with the children settling well into their new classrooms, getting to know their new year group staff and adjusting to their new routines. We are very proud of all children and are extremely excited about the year ahead.

Next week, our after school clubs begin. Thank you to those families who have booked their child onto our after school clubs for the Autumn Term– the uptake has been great! For collection times and locations and also payment information, please refer to the letter.

Self Isolation and Testing Guidance

We hope that the flow chart on the right will help to clarify the process that you need to follow if your child develops a Covid-19 symptom, tests positive for Coronavirus or is identified as a close contact of a positive case by Test and Trace.

Please note, unless your child is symptomatic or tests positive, they should still attend school.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
