

# Year 4 – Autumn Term – Rotten Romans – What did the Romans do for Britain?

*This grid outlines the knowledge and skills that Year 4 children will gain throughout this term's topic.*

## As readers we will:

Be introduced to new texts which focus around the Roman Era. Throughout this half term, we will be exploring various genres and revisiting our inference and retrieval skills to grasp an understanding of the text and their characters.

## As mathematicians we will:

Start the new term by revising place value, introduce the teachings of rounding and negative numbers. The term will progress with the teachings of the 4 operations against formal written methods and embed their understanding by using 'jottings' throughout their work.

## As writers we will:

Revisit previous skills that have been taught in Year 3 by giving our children writing opportunities. In the Autumn term, they will also be introduced to new skills in their focused SPaG sessions and given the opportunity to embed these new skills within sustained pieces of writing.

## As scientists we will:

Explore animals and living things. Children will be classifying the particular animal by observing their key features and characteristics. To link in with our Autumn term topic of the Romans, children will be asking how the Romans might have classified animals and why it would have been vital for them to do so.

## As historians we will:

- Focus on the Roman era, understand who they were and what they set out to achieve.
- Gain an understanding of how the Romans lived and what they liked to do for fun.
- Identify where the Romans are placed chronologically.

## As geographers we will:

- Locate key areas of Rome by its distinguished shape.
- Explore the key areas of where the Romans attempted to invade.
- Identify and understand why the Romans created roads that we use today.

## As artists and designers we will:

- In art, we will be creating our own Roman mosaic, this will be achieved by exploring the history behind a mosaic, designing our mosaic and then creating and evaluating our piece.
- In terms of D&T, we will design, create and evaluate a roman sandal fit for a Gladiator!

## In computing we will:

- Use the software 2Logo to create our own logo, we will use this special software to create our own logo fit to represent the Roman army.

## In Spanish we will:

- Start the term by recapping the greetings we learnt previously in year 3 and then introduce new topics such as: parts of the body, fruits and zoo animals.

## In RE we will:

- Explain and explore religions.
- Identify key beliefs, celebrations, rituals, and holy buildings.
- Identify the true meanings of holy stories.

## In PSHE we will:

- Focus on personal growth set.
- Reflect on and celebrate our children, identifying their strengths and areas for improvement and set high aspirations and goals.

## As musicians we will:

- Explore the historical instruments from the Romans.
- Create music together as an ensemble to compose the sounds of the Roman empire.

## In PE we will:

- Learn about health-related fitness and why it is important to utilise this during sport and everyday life.
- Play a range of multi-skill sports.
- Put our limits to the test to see if we could be part of the Roman Legion.

## At Perry Hall:

As part of our Social, Moral, Spiritual and Cultural curriculum we will continue to interweave our school motto and core values into everything we do.

### Motto:

**Perry Hall Primary, a place to grow in confidence, creativity and ability.**

### At Perry Hall we are:

**Respectful, Caring, Determined – never give up, Enthusiastic, Independent and Motivated.**

## Good to be Green 2021

We strive to adopt a fair approach to behaviour management within our school, offering a range of motivational rewards to help keep positive behaviour on track.

\*Each day, children start fresh on 'blank'.

\*If rules and core values are being adhered to, then the children will move up through the green triangle (rewards explained on the right).

\*If rules and core values are not being adhered to, then children will move down through the red triangle (consequences explained below).

\*Children can move up and down both the red and green triangle throughout the course of the day.

\*A purple card cannot be earned back.

## IT'S GOOD TO BE GREEN

If you end your day on a 'Platinum Card', you will receive a sticker on your bookmark.

When you have collected all of the stickers on the front of your bookmark you will receive:

- a certificate
- a dip in the prize box

When you have collected all of the stickers on the back of your bookmark you will receive:

- a dip in the prize box
- an invite for your grown-ups to join us in a celebration assembly
- a certificate and a badge.

If you end your day on a 'Gold Card', you will receive a sticker on your bookmark.

Places on the 'Wheel of Praise' are on offer at all times for showing a good attitude and lots of effort. At the end of each day, the 'Wheel of Praise' will be spun and the winner will receive a dip in the prize box.

### IF YOU ARE ALWAYS 'GREEN'

At the end of each half term, if you have managed to stay 'green' since the start of the year you will receive a 'treat activity'.

## RED TRIANGLE

## Other Year Group Specific Information:

Welcome to Year 4!

We would like to welcome you all back to Perry Hall for three fantastic terms in Year 4. We hope you have had a wonderful summer and are ready and raring to go for this academic year.

We wanted to inform you that this year, in the Summer Term, your child will be sitting the multiplication tables check (**MTC**), which is statutory for primary schools in the **2021/22** academic year. The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. There will be lots of preparation and focus upon children learning their times tables (up to 12x12) throughout this academic year, to ensure that they are as prepared as possible for this. Practice makes perfect, so any support you can offer at home to help your child learn their times tables would be much appreciated (including making use of Timestable Rockstars).

As a team, we are very excited for the adventures and learning that lie ahead for our pupils across the upcoming year. We have lots of exciting activities lined up across the academic year that we think pupils will really enjoy and learn a lot from too.

The Year 4 Team.
