Dear parents/carers

R.e. Staffing in Year 2

I am writing to inform you about our current staffing situation in Year 2. Unfortunately, Mr Worton is having to undergo surgery next week and therefore will not be in school whilst this takes place and during his recovery.

We are hoping that Mr Worton will be back in school after two weeks however we will ensure that you are fully updated and informed of any changes to this when we know more next week following his surgery.

In Mr Worton's absence, from Monday 4th October, a supply teacher will be overseeing the provision and teaching in 2SW. The staff within the Year 2 team will be working closely with them and planning together to ensure that there is as much consistency and continuity as possible for the children in 2SW. Full handovers regarding individual children's needs will take place with this member of staff prior to them working with the children in the classroom.

As always, our ultimate concern is ensuring the well-being and academic progress of our pupils and we can assure you that this is at the forefront of the decisions we are making to combat this situation.

Yours sincerely,

Mrs Gibbins
Head of School.
