Re: Parents Consultations

Dear parents/carers,

We are thrilled to be able to invite you back into school for a face-to-face parent consultation on Wednesday 20th October. This is an opportunity for you to meet with your child's teacher in person to discuss how they have settled in to their new year groups and to share their targets for the Autumn Term.

To ensure the safety of us all, we will ensure that the room is well ventilated and that there is sufficient room for social distancing. In addition, please can you wear a face covering to your meeting (unless you are exempt). Prior to your consultation, staff will ensure that they have carried out a lateral flow test- it would be great if you could too before coming into school.

All parent consultations can be booked via the online booking system which will go live on Monday 11th October (you will be informed via text and will use the link within the text to make your booking).

Nearer the time, we will share with you our plans for entrances/exits/waiting areas, along with where each year group will be based for the consultations.

We are really looking forward to meeting with you. If you have any questions in the meantime, please feel free to get in touch.

Yours sincerely

Mrs C Gibbins
Head of School.
