

### Times Tables Rockstars

Years 2-6.

*Learning multiplication facts is key to becoming a successful mathematician.* Times Tables Rockstars is a fun, engaging and challenging programme which allows children to learn, practise and apply their times tables – all while having fun! When playing, children will have the opportunity to create their own Rock Icon and play at a range of prestigious stadiums, earning themselves precious coins with correct answers. Practise makes perfect– have a go! <https://play.ttrockstars.com/auth/school/student>

### Let's avoid lots of lost property...

Especially as the weather begins to turn colder and children are starting to bring coats, hats, gloves, etc into school, please ensure that you label everything that your child brings into school with them (put their name onto the inside labels - coats, jumpers, trousers, lunch boxes etc). This will help us to return items to children as quickly as possible if they are

misplaced and then found. Please help us to help you find and keep all of your child's belongings safe.

### A huge thank you from the Church of the Good Shepherd...

Our harvest display of produce looks fantastic this year; thank you to everyone who has donated. Members of the Good Shepherd are arriving to school this afternoon to collect our donations. Once again, as a school community, we should be very proud of ourselves.
