Flu Vaccination Day—Thursday 21st October

This is a polite reminder that the school nursing team will be in school on Thursday next week, administering the nasal flu vaccinations to those children who we have received signed permission forms for. If you wish for your child to have this vaccination, your completed form needs to be returned to school asap.

School Photograph Day—Monday 18th October

As you are aware, Monday is school photograph day. Tempest photography will be in school taking individual photographs of your children and photos of your children who have siblings in school. All children will need to wear full school uniform on Monday. Year 3's PE day will be swapped to Wednesday.

Parent Consultations - Wednesday 20th October

As you are aware, parent consultations are taking place in school next Wednesday (unless your child's consultation session takes place as a structured meeting then your child's teacher will have contacted you separately regarding this). This will be an opportunity for you to meet with your child's teacher face to face and to find out how your child has settled into their new year group. We are very much looking forward to inviting you into school, however, we will be putting certain measures in place to maximise safety, for example, mask wearing during the consultation, use of hand gel upon entry, distancing between parents and staff members, etc. We will send out an information leaflet early next week highlighting these things to you. We hope that you will support us by abiding by our safety measures. If you are having issues booking an appointment please call the school office.

Wednesday– Gym Club and After School Club collection points...

Due to parent consultations taking place on Wednesday, gymnastics club will be released from the door next to Nursery and After School Club will be based in Nursery, so children will need to be collected from the Nursery door.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
