

### Happy Half Term...

As we come towards the end of a busy half term, I wanted to thank you all for your continued support. Thank you to each family that engaged with our parent consultation process and once again, sorry for any inconvenience caused with the last minute change to holding our face to face meetings. Within school this week, year groups have been revisiting topics surrounding e-safety, stranger danger and generally keeping safe ahead of the half term holiday when children will inevitably be out and about more and possibly spending more time on their electronic devices at home. I hope that you will reiterate these important messages to your children too.

Enjoy a very well deserved half term break and I look forward to seeing you back in school, safe and well, on Tuesday 2nd November. Keep safe. Mrs Gibbins.

### Parent Governor Ballot

As you are aware, we have two vacancies at Perry Hall Primary School for parent governors. We have received three nominations. Thank you to the three parents/carers that have nominated themselves.

Please use the following link and follow the instructions below to cast your vote:

## Perry Hall News!

Friday 22nd October 2021

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

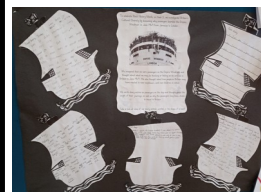

### Black History Month at Perry Hall 2021

Throughout October, the children of Perry Hall have been celebrating the achievements of influential black people.

Year 1 have looked at the life of Mary Seacole and the amazing work that she did as a nurse during the Crimean War. They have then produced some fantastic drawings of her both old and young.

Our Year 2 children have been discussing the importance of the actions taken by Rosa Parks in 1955. They have recognised the bravery it took for her to stand up (or rather sit down) for what she believed in.

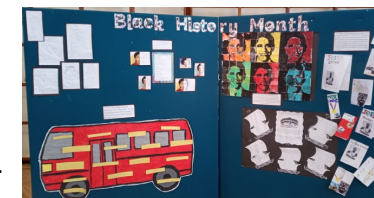

In Year 3, the children learnt about the 'hidden figures' who worked tirelessly at NASA, facing discrimination for being black and for being women, to achieve their goals. They focused on Mary Jackson, Katherine Johnson and Dorothy Vaughn and used artistic pencil techniques to sketch their faces.

Year 4 focused on discrimination and perseverance in politics. The children researched Nelson Mandela's life, imprisonment and achievements as well as Barack Obama's election campaign. They then created an art project inspired by Andy Warhol's pop art movement.

The children in Year 5 have imagined that they were passengers on the Empire Windrush in June 1949. After discussing cultural diversity and the reasons behind people moving from Jamaica to London, they have written diary entries from the perspective of the passengers.

Finally, as Year 6 have spent the autumn term studying World War 2, they have focused on the amazing achievements of Jesse Owens at the 1936 Berlin Olympics. They have discussed how he overcame the barriers he faced when competing and the determination and resilience he embodied. The children were then asked to create leaflets aimed at telling the world all about Jesse Owens.

### Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
