Dear parents/carers,

We are pleased that, once again, we are able to offer musical instrument (clarinet and flute) group tuition each week across Years 4, 5 and 6.

This year, the school is heavily subsidising the cost charged by Wolverhampton Music Service (which is on average £96 per term/£228 per year, per child). We are this year, however, asking for a monetary contribution towards this tuition of £20 per half term/£40 per term which can be paid via ParentPay. The fee for any lessons taken place during Autumn 1 has been funded by school.

If your child chooses to engage with this music tuition within school, they must buy a tuition book and reeds if they have been allocated a clarinet. All pupils are to bring their book and instrument each week and must be able to practice regularly at home in order to improve their skills.

To clarify, all instruments are provided by Wolverhampton Music Service, free of charge. There is no expectation to purchase your own instrument, however you must ensure that these instruments are kept safe and in good condition at home and help us to support your child in taking responsibility for them during the school day.

Please could you send in your monetary contributions, as per the table below, in order to continue to secure your child's tuition place.
