

Read Write Inc. Spelling Programme

As a school, we are now using the Read Write Inc. spelling programme to deliver spelling lessons within school. This programme is designed to correspond with the phonetical knowledge, that children focus on in Reception and Year 1, while furthering their knowledge of the spelling rules. Your child will no longer be set a weekly spelling test as they will be teacher assessed on a daily basis and will bring home a spelling log book containing any words they have found challenging which can be practised at home. You can find more information about this here:

Anti bullying Week

This Monday (15.11.21), to kick start Anti-Bullying Week, we are encouraging all children to come to school wearing odd socks; the wackier the better, with their school uniform.

The day sends an important message to people that they should be allowed to be themselves, free from bullying and helps us celebrate Anti-Bullying Week in a fun and positive way!

Travelling Books Fair

Thank you to the Year 6 Reading Buddies and Prefects who have done a fantastic job running the book fair this week and reading to the younger children. **The book fair has now closed** and we will no longer be taking orders online.

If you are currently waiting for a book to arrive that we have had to order, this will arrive in school early next week.

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

REMEMBRANCE DAY
Left We Forget

At Perry Hall this November, pupils have been learning about the meaning behind Remembrance Day and why we wear poppies. Staff have taught this topic in a sensitive and age appropriate way, from EYFS through to Year six.

Each year group have created a Remembrance display, using a range of art techniques. These range from drawing, printing, painting, sketching and collage.

Staff have displayed the children's fantastic work in classroom windows for parents and families to view.

On Thursday 11th November, children and staff from Twos up to Year 6 came together outdoors. They took part in a minutes silence at 11am to commemorate the contribution of British and Commonwealth military and civilian servicemen and women involved in the two World Wars and later

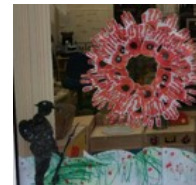

conflicts. A musician played The Last Post on a cornet to begin the

silence, as a whole school remembrance wreath was placed upon a tree. After, two children from Year 6 read out the poem *In Flanders Fields* to the whole school.

Thank you for supporting us in our remembrance and for your contributions to the Poppy Appeal.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
