

Girl's Football Match

What an incredible start to the girls football league. Every single girl showed heart, determination but most of all commitment. The girls walked away with an impressive 3-0 victory which they had to work very hard for. Their teamwork really paid off for them. Well done to Sophie for grabbing a cheeky hat trick on her debut. Girls, I've never felt prouder in my life than with the performance you displayed. Keep it up! Mr B.

Anti bullying Week 2021

The whole school have taken part in a range of learning opportunities this week linked to this years theme 'One Kind Word'. The week was kick started by Odd Socks Day on Monday 15th which was a great success and saw lots of children expressing their individuality and what makes us all unique. Well done to all who took part by wearing Odd Socks.

Throughout the week the children have been showing kindness to each other in a variety of ways such as giving compliments to one another or offering a helping hand, to create a 'ripple of kindness' and importantly all children have learnt about how they can report bullying or anything they are worried about.

National Nursery Rhyme Week 2021

This week, the children have celebrated National Nursery Rhyme week by completing a clue hunt around school. They have followed eight nursery-rhyme based clues that lead the children to our fantastic new library. Over the coming term, our library is going to be filled with engaging new books that the children will be able to enjoy in a quiet and calm space. You will receive further information about this in the coming weeks.

A special thank you to our brilliant Year 6 Reading Buddies who, once again, did a great job reading to the younger children when they reached the end of their clue hunt.

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Year 4 Freshwater Theatre Roman Workshop

Year 4 were visited by some extraordinary Roman visitors this week! The children took part in some amazing Roman workshop activities throughout the day including being a studio audience for 'Return from the past!' As well as this, they interviewed Queen Boudica and took part in a Roman Banquet fit for the great Julius Caesar himself.

All of the children thoroughly enjoyed this and gained some invaluable knowledge about the Romans.

Year 3's Stone Age Day

On Wednesday, Year 3 children took part in a 'Stone Age Day' as part of their focus on the topic this term. As part of the day, a time-travelling visitor took them on a journey back to the Stone Age where they became hunter-gatherers,

farmers and builders to create their own village. Pupils also created a physical version of Stonehenge which complemented the poetry they'd read earlier in the morning. In the afternoon, pupils used natural resources to create Stone Age jewellery and even took part in their very own Stone Age fashion show! Just like their distant ancestors, they stomped down the runway and applauded and cheered their classmates as they showed off their historic looks.

Mayor's Christmas Card Competition—letter sent 16.11.21

For your chance to win a festive afternoon tea with the Mayor of Wolverhampton, please send in any **Wolverhampton themed Christmas card designs** in to school by **Monday** for your child's entry to the Mayor's Christmas card competition. The winning design will be used by the Mayor for his official Christmas card.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
