

Friday 3rd December 2021

Dear parents/carers,

This Christmas, children attending Two's will be 'showcasing' a selection of Christmas songs. However, due to the current Covid rates we are choosing, for everyone's safety, to take part in **virtual performances online** (pre-recorded, not live), via Teams. Your account details will follow soon.

This singing performance will be available for you to view via Teams on:

Thursday 16th December

AM Two's children will be available at 9:30am

PM/FT Two's children will be available at 1.30pm

In order for your child to be included in the (pre-recorded) online performance, **we require your written permission**. If you do not consent to this your child will still take part in the rehearsals and voice recordings in school, but will not be shown in the video recording performance on the school website.

Please send the following permission statements for your child to take part and also for you to be added to the Teams channel which you will use to access and view the pre-recorded performance, indicating your time as AM Two's 9.30am or PM/FT Two's 1.30pm, no later than Tuesday 7th December, to our Two's email address; [**ph.twoshomelearning@perryhallmat.co.uk**](mailto:ph.twoshomelearning@perryhallmat.co.uk)

I (name of parent), parent/carer of (name of child), do/do not give permission for my child to be included in a pre-recorded virtual Christmas performance.

Please could I be added into the performance recording on 16.12.21 for my child's allocated time. When logging into the recording of the performance via my child's Teams account I agree that:

- I/we will not record or photograph the performance in any way.
- I/we will ensure that our camera is turned off.
- I/we will ensure that our microphone is turned off.

Thank you for your continued support.

Mrs C. Gibbins
Head of School
