

### After School Clubs

Please note, after school clubs for this term have now finished—there are no after school clubs next week during the last week of term. Thank you.

### Parking near the school site and considerate road use.

We have received a number of complaints from the school's neighbours regarding inconsiderate, and often illegal, parking by parents accessing the school in the mornings and afternoons, including parking in the zig-zag lines outside school and parking across private driveways. We have also had complaints about parents and children not crossing the road with due care and attention, putting themselves, other pedestrians and the drivers of any cars near the school in danger.

We speak to the children regularly about road safety and keeping safe when crossing the road. You can help us to ensure children have a happy and safe journey into school each morning by considering:

**Walking wherever possible**- Not only is this a healthy way to get some exercise, but it supports the local community with congestion. In addition, it is much better for the environment.

**Parking responsibly**- If you do need to drive to drop off or collect your child please park considerately and ensure you are not obstructing drives, garages or access to roads. Please be respectful of our neighbours and remember that parking on zig-zag lines at any time of the day is prohibited.

***Our children's safety is our main priority and this includes their journey to and from school. We appreciate your support in this matter.***

### Important Dates

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### Reception's Christmas Visit to Kingswood

Reception children and staff were very excited about their fun-filled visit to Kingswood on Monday! Despite the poor weather, the children had a fantastic day and had lots of Christmas fun indoors and outdoors providing lots of learning outside our classrooms and opportunities to making life long memories.

Throughout the visit, the children were encouraged to handle Kingswood pets including rabbits and guinea pigs and fed the sheep. They joined in with a wintery 'Christmas Trail' where they followed a trail around Kingswood's grounds to look for the numbered Christmas cards and read clues.

In the afternoon, the children took part in a variety of Christmas activities including role-play, construction, soft play, creative activities and stories and even got time to meet Santa himself! He talked to them lots about how busy he and the reindeer are, and reminded the children to go to bed early on Christmas Eve, before giving them a gift and getting ready to travel back to the North Pole!

### Christmas Performances

This week, the children have been busy finalising their Christmas showcases which we can't wait to share with you next week. Thank you for your support with sending in costumes and helping to learn songs/lines.

As you are aware, next week we will be streaming the children's pre-recorded Christmas performances/showcases. Your child will only be in this recording if you gave your permission for them to do so. You will only be added to the Microsoft Teams channel in order for you to view your chosen performance time if you have sent in your email agreement statement and requested time.

Please remember to mute your microphone and turn your camera off when you do join:

Please note, you must not photograph or record the performance in any way. We hope you enjoy our performances!

### Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
