

Please select one piece of homework to be completed each week.

## Year 3 - Spring Term 2022 Rock Stars! (Rocks & Fossils)

Please hand in your homework on Thursdays. Email to [ph.y3homelearning@perryhallmat.co.uk](mailto:ph.y3homelearning@perryhallmat.co.uk)

### Music:

Create a table that looks like the one below. Listen to a range of music and fill it in – why not ask your family and friends about their favourite music too? You could fill it in together!

Song Name	Artist	Instruments I can hear	Genre (Rock, Pop, etc)	My opinion of the song (Did you like or dislike it?)

### English (linked to Music):

Now you've listened to lots of different types of music. Choose your favourite song and write a song review!

Remember to include:

- the name of the song and artist (remember, proper nouns like names of musicians need **capital letters**)
- what instruments you can hear in it (you may need to use **commas in a list** here!)
- why you liked it (can you use **subordinating conjunctions** like 'because' and 'although'?)

### Geography:

This term, we will be working on our map reading skills and learning about different parts of the world.

Country \_\_\_\_\_  
Capital \_\_\_\_\_  
National Flag \_\_\_\_\_

Create a fact sheet on any country or place around the world. Can you include its flag and any facts that you find interesting about it? It can be a holiday destination or just somewhere that really interests you!

### PE:

As our topic is all about different types of rocks and fossils, why not try out these yoga videos!

Harry Potter and the Philosopher's Stone Yoga -

<https://m.youtube.com/watch?v=R-BS87NTV5I>

Dinosaur Yoga - <https://m.youtube.com/watch?v=ISX9DSK4uEk>

### RE:

This term, we are looking at Hinduism.

Look online to find out more about this religion and create a poster or factsheet with everything you've learnt!

### PSHE:

In PSHE we will be talking about 'Keeping myself safe'.

It's important to consider when something is high risk. For example, what would you wear when riding a bike?

Draw a picture or take a photo of you being safe on a bike, on roller skates or on your scooter!

### Art:

Try drawing a fossil by following this step-by-step guide:

<https://www.youtube.com/watch?v=cmjQPWCWaTw>

If you'd like a challenge, you can draw a T-Rex's skull by following the instructions in this video:

[https://www.youtube.com/watch?v=ul\\_rOca2JINM](https://www.youtube.com/watch?v=ul_rOca2JINM)
