

Dear parents/carers,

Perry Hall Primary School are joining in with thousands of schools across the UK to support Comic Relief on **Friday 19th March**.

As this year's Red Nose Day's theme is '**Funny Is Power**' we are inviting you to **donate laughs and smiles** to celebrate Comic Relief.

Come to school ready, in or out of uniform, with whatever you can to make your classmates and teachers smile. You could:

- Bring a selection of jokes and be ready to tell as many as you can at break time
- Practise a funny routine with your friends to perform on the playground at lunch time
- Wear your school uniform back to front
- Paint your face with a funny design
- Make your hair as crazy as possible...

...the possibilities are endless!

If you feel you can, we would also be grateful of a monetary donation for Comic Relief, a very worthy charity who help thousands of families across the UK and the world, of whatever you feel you can afford. This, however, is not mandatory.

We look forward to sharing our laughs and smiles with your children this Red Nose Day.

Thank you for your continued support.

Mrs C. Gibbins
Head of School
