Spring Term Parent Consultations

Dear parents/carers,

We are delighted to be able to invite you into school for this term's parent consultations which will take place on Wednesday 9th March 2022. Parent consultations can be booked via the online booking system which will go live tomorrow, on Wednesday 16th February (you will be informed via text and will need to use the link within the text to make your booking).

The purpose of the consultation meeting will be to share with you how your child has continued to settle into their year group, to verbally update you on your child's progress and attainment and to inform you of any specific targets you could work on at home with them.

Whilst in school for your appointment, you will have the opportunity to look through your child's books and to see their learning environment. We will also be asking you to ensure that your child's details are up to date by asking you to review your child's data collection sheet, making any necessary amendments. Lastly, as usual, we will also be asking for parent feedback through our 'What works well....' and 'Even better if....' boards.

We continue to be cautious with regards to COVID-19 therefore, please ensure that you do not attend your child's parent consultation if you are displaying any symptoms of Covid-19 or are feeling unwell. We also politely request that you wear a face covering whilst inside the school building and maintain distance from other.

We are really looking forward to meeting with you. If you have any questions in the meantime, please feel free to get in touch.

Yours sincerely

Claire Gibbins
Head of School
