

Tuesday 22<sup>nd</sup> March

Dear parents/carers,

During the school day, children in Nursery and Reception may need to change their clothes for a whole variety of reasons including getting messy or wet when completing art activities, getting dirty when playing outside or having a toilet accident in school. To support us with this, please ensure that your child has a labelled bag in school that contains spare clothes should there be a need for them to get changed during the school day. ALL uniform and spare clothes need to be labelled clearly please.

Unfortunately, our spare clothes supply within school is running very low. If your child has had an accident and has had to borrow clothes, please could these be washed and returned to school as soon as possible. To further support us, we are always grateful for donations of any spare clothes (in good condition) that your child has outgrown – especially tops, skirts, shorts, trousers, leggings and jogging bottoms.

Thank you for your support with this matter. This way, we will hopefully be able to avoid having to unnecessarily call parents/carers into school to change their child/bring spare clothes.

Yours sincerely

Mrs C Gibbins  
Head of School.
