

### Wolverhampton Girl's High School Mathematics Challenge

On Tuesday, four Year 5 pupils represented Perry Hall in the Wolverhampton Girl's High School Year 5 Mathematics Challenge.

The pupils participated in different mathematical tasks including working with dice, pentominoes, playing cards, dominoes, tangrams and counters. The final round

involved pupils coming together to work through multiple choice mathematical problems requiring them to 'think outside of the box'.

We are extremely proud to announce that Erin and Rudra came 1st and Flynn and Navkaran came 9th out of a grand total of 39 schools. We are so proud of how they conducted themselves and represented our Perry Hall family. They were fantastic!

### Limb Loss Awareness Day—Friday 1st April

## Perry Hall News!

Friday 25th March 2022

**A Place to Grow**

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### World Down Syndrome Day 2022

On Monday (21st March) we celebrated World Down Syndrome Day in school.

We made a colourful statement with pupils wearing odd socks into school with their school uniform in support of World Down Syndrome Day and to raise awareness of Down Syndrome.

Within classrooms, children carried out a range of discussions and a variety of activities that developed their understanding of Down Syndrome. We all had a great day!

### Red Nose Day 2022—Thank you

We are delighted to let you know that we raised a grand total of £217.09 on Red Nose Day. Thank you.

### Football Match Update

Over the past two weeks, Perry Hall have taken part in two matches: a mixed boys/girls football match and a girls football match.

The mixed team played away at Long Knowle where they walked away with an incredible 7-0 victory— their first game of the year!

On Tuesday, our girls' team played against Woodthorne (both teams needing to win to secure first place winners). Unfortunately, we lost 4-3 but the girls represented Perry Hall to the highest standard.

Well done to both football teams. We are very proud of every single player.

### Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
