

Dear parents / carers,

As we approach the Easter holidays, we wanted to write to you regarding some key Year 6 reminders, updates and information. We hope that you find the following useful.

SATs Revision

Your child has worked exceptionally hard this year and we fully appreciate that they need lots of rest and recuperation over the Easter holidays. However, when we return to school after the break, the SATs tests (week beginning 9th May) will be nearly upon us. Therefore, we recommend that your child engages with some of the attached material so as not to put back all of the hard work they have put in so far. Accompanying this letter are revision materials for SPaG, Reading and Maths. We suggest that children take around 10mins for each pack, each day, to keep the methods and skills they have acquired this year fresh in their minds.

In addition to these materials, we also recommend your child taking the time to practise their skills online using the following recommended websites:

Voting Day

Advanced notice: On the 5th May, school will be closed to all pupils from Twos – Year 5 as we are a polling station for Voting Day. However, due to SATs taking place the following week, Year 6 pupils will still be expected to attend school during the morning. We will be inviting children to have breakfast in school at 8:30am and following this, they will then work in usual sets until 11.30am where they will have a year group activity competition of their choice. At 12pm, they will need to be collected from our usual exit. Please complete the permission slip below to confirm your child's attendance and return to school by Friday 29th April. If your child is unable to attend, please speak with Year 6 staff. We are sure you understand the importance of your child joining us on this day.

SATS Week

If your child attends morning or afterschool boosters, these will continue after Easter and up until SATs week (no boosters will take place during SATs week or thereafter).

Below is a reminder of the SATs timetable for your information.

<i>Test Timetable</i>

Thursday 12 th May	Mathematics – Paper 3: Reasoning Paper	40 minutes

Year 6 Breakfast Club

SATs week is an extremely important time for everyone. As a reward for all their efforts (and an incentive to get all children into school on time and their ‘brains in gear’) we will be offering a free Breakfast Club, held in the infant hall and just for the Y6 children, from 8.00 to 8.35am on the Monday, Tuesday, Wednesday and Thursday morning of the SATs week. Children will be able to come and enjoy a breakfast of cereals, crumpets/toast/muffins and juice with their friends and then go into class on time with a positive frame of mind. We hope that all children will take advantage of this treat – they deserve it! Please fill out the form below, identifying whether your child will or will not be attending the Y6 Breakfast Club and return it by Friday 29th April so we know how many children to cater for.

Leavers Preparation

Following SATs, we will begin our preparations for our leaver’s celebrations as the children begin their secondary transitions. More details will follow at a later date, however, we would like to take initial numbers for the following:

- Leavers Hoodies at approximately £25 each
- Year Books at approximately £10 each

If you intend to purchase one or more of the above, please indicate on the slip below and return to school by Friday 29th April.

Thank you for your continued support- please do not hesitate to contact us with any remaining questions/concerns.

Yours sincerely,
Mrs C. Gibbins
Head of School
