

Friday 29th April 2022

Dear parents/carers,

The time is nearly upon us for our children within Year 4 to take part in the compulsory Multiplication Checks which will begin on the week commencing Monday 13th June. We would like to thank you all for your continued effort and support with your children – the uptake and effort upon TTRS has been incredible and the progress the children have made has been wonderful to see.

To continue to move forward with this, we would now like to invite you into school on Tuesday 10th May (2.30pm – 3.15pm) to participate in a workshop with your child and their class teachers. This will be an opportunity for you and your child to work collaboratively and complete unofficial times tables check with an element of fun. The aim of this session is to continue to raise the profile of the multiplication tables check whilst providing you additional resources to further support your child at home.

Please return the below slip to your child’s class teacher by **Friday 6th May** to enable us to prepare for this session.

We hope to see you at this workshop on Tuesday 10th May.

Thank you for your continued support,

Mrs Gibbins
Head of School

I _____ will be attending my child _____’s

Multiplication Tables Check workshop in class _____ on **Tuesday 10th May – 2.30pm – 3.15pm.**

Signed _____ Date _____
