

Please select one piece of homework to be completed each week.

Year 3 Summer Term - 2022

Ancient Egypt

Please hand in your homework on Mondays. Email to ph.y3homelearning@perryhallmat.co.uk

English:

In English, we are going to be writing a setting description based on Ancient Egypt.

We would like you to write your own setting description. You may want to describe somewhere you have been over the weekend - perhaps your garden, bedroom or kitchen.

Challenge - Can you include co-ordinating and subordinating conjunctions and expanded noun phrases with post modifiers to your writing, so it contains more detail?

Science:

This half term, we will be learning about the muscles in the human body.

Draw a picture of yourself and try to label all of your muscles using this video to help you.

https://www.youtube.com/watch?v=UGSi_HwgXOk

Challenge - Sing 'head, shoulders, knees and toes', but change the names to muscles.

RE:

In RE, we are looking at Sikhism.

We will be learning about the importance of religious leaders. Create a poster or leaflet about the importance of Sikh Granthi. You may want to answer the follow questions.

- What is a Sikh Granthi?
- Why are they important to Sikhs?
- What are they responsible for reading?

PE:

In PE, we are learning about Football.

As part of this, we are going to look at the importance of a 'warm up' before exercising. You will all get a chance to lead your own warm up to a group.

Here are some videos that you may want to watch to get prepared before our PE lessons.

PSHE:

Our topic this term is called 'Being my best'.

We know that in Year 3 you are all fantastic!

We need to know **what** makes you fantastic.

Is it because you are kind and caring? Is it

because you play a sport outside of school and have won an award?

Write a paragraph about what makes you fantastic and bring this into school to share.

Maths:

This half term we are continuing our Tables Rock Stars tournaments!

If you want your class to win - and for you to win the prize, get logged on and practice, practice, practice!
