

The Travelling Book Fair

Next week, the Travelling Book Fair will be returning to Perry Hall and we are delighted to be able to invite parents along in person this time around. The Travelling Book Fair is a fantastic opportunity to purchase the most recent best-selling children's books and allows school to raise money towards purchasing books for our own school library. The book fair will be located on the playground at 3.15pm each day next week and at the nursery collection point on Friday.

Should you wish to have a sneak peak at the titles available next week, you can view the books that will be available here:

<https://images.scholastic.co.uk/assets/a/b0/e4/tbf-invite-2134359.pdf>

As Perry Hall is normally a cashless school, we do ask parents who are interested in purchasing books to bring the correct change wherever possible. There will be an opportunity to pay online on the day too.

This Week's Year 4 Multiplication Tables Check (MTC) Parent Workshop

A big thank you to the parents who could attend the Year 4 MTC workshop on Tuesday. It was great to see everyone participate in the event, supporting their child in their preparations for the upcoming MTC. For those unable to attend, please see Miss Francis (4NF class teacher) who will be happy to talk you through the presentation and provide you with any top tips to best help support your child at home.

Congratulations Mr Fergusson

Congratulations to Mr Fergusson and his family who welcomed their baby boy, Ronnie, into the world on Wednesday.

Perry Hall News!

Friday 13th May 2022

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Year 3's Ancient Egypt Day

This week, our Year 3 children launched their Ancient Egypt topic by setting sail down the River Nile—by virtual reality of course! Children took part in a day full of virtual reality visits, hieroglyphic codes and artwork and Egyptian games. They created a physical timeline of the Egyptians and even took part in a mummification activity where everyone couldn't wait to put their body parts into canopic jars!

Well done to all children for their fantastic effort and enthusiasm across the day!

Year 2 SATs

The time has come, Year 2, for you to show off just how amazing you are. You have all been working incredibly hard and we are so very proud of each and every one of you. Next week, your 'little quizzes' will take place. Remember, there is nothing to worry about and we wish you all good luck in the forthcoming week. Get lots of rest and just remember how awesome you are!

Wolverhampton Girl's High School Mathematics Challenge—Year 4

Recently, four Year 4 pupils represented Perry Hall in the Wolverhampton Girl's High School Year 4 Mathematics Challenge. We are very proud to announce that they placed 3rd and 6th! A big well done to those who participated and a special thank you the Year 5 helpers who volunteered to coach Year 4.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.

Two's Provision AM Ethan H		Two's Provision PM Kaena S
