

## Commonwealth Games Baton

As part of the upcoming Commonwealth Games, Perry Hall Primary School have been raising the sporting spirit by helping the Wolverhampton Community Baton on its journey around several local schools.

On Friday, it was fantastic to see so many familiar faces return from Wednesfield High School to pass the baton over to several of our Perry Hall children.

On its arrival, the Community Baton was raced around the school running track and then did a tour of our grounds before it was passed over to the next school. Our Perry Hall name has also now been added to a collection of ribbons around the baton so that it's journey here has been recorded. It was lovely to see so many of our children come out to share their support for the Commonwealth Games and cheer the baton on.

Now that the summer term is upon us, we are all looking forward to getting stuck into a range of sporting events such as the upcoming sports days.

**A Place to Grow**

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

## What a busy week....so many visits!

This week has been exceptionally busy. Reception kicked the week off with a visit to Lower Drayton Farm on Monday and experienced a trailer ride into the fields, where they planted some seeds for the farmer. The greedy pigs were grateful to be fed by the children and petting the small animals became the highlight of the children's day. This involved exploring the outdoor areas, especially the toboggans and the bouncing pillows! Finally, the children had the opportunity to explore their surroundings as they climbed, balanced, crawled and negotiated space in the indoor soft play.

On Tuesday, Year 5 visited the Think Tank Museum in Birmingham where they were able to explore the science of the future. They were able to experience controlling robots and a model of the Mars Rover, as well as participating in the immersive Planetarium.

Finally, Year 1, on Thursday, enjoyed a day at Tamworth Castle. During the day, the children enjoyed meeting the Lady of the castle and the squire. They had a great time exploring all the different parts of the fort including the dungeon, the armoury and the tower. The children were all actively engaged throughout, taking part in various workshops, which included dressing a knight for battle, practising how to knock an opposing knight off their horse and setting a table, which was then adequate for the Lord and Lady of the castle to dine at.

Children from all Year groups represented Perry Hall fantastically: as always, we are very proud of them.

## Our 'Growing and Changing' PSHE themed week.

As you are aware, as part of our school's Personal, Social, Health and Economic education (PSHE) for this year, all children in Years 1-6 will engage in a focus week of learning during which they will cover topics within a unit called 'Growing and Changing'.

This is taking place week commencing 27th June 2022.

All information can be found here:
