

Perry Hall Park Clean Up

Our Key Stage 2 Eco Warriors have been very busy this week litter-picking on Perry Hall Park. We have been helping give back to the local community by raising awareness about why it is important to take care of our green spaces. Our Eco Warriors did a fantastic job helping to clear up Perry Hall Park and then they went to talk to each class in school, encouraging the children to make the right choice and put their litter in the bin. They also spread the word about how litter can be harmful to the wildlife found on our local park.

Community Games—6LM

This week, 6LM were fortunate enough to participate in the Wolverhampton Community Games. In celebration of the Commonwealth Games, which will be held in Birmingham later in the year, 6LM took part in a range of friendly sporting activities including: basketball, tennis, dodgeball and football. They were joined by several other schools from the local area and our Year 6 children did a fantastic job of representing Perry Hall. Well done 6LM!

First Aid Sessions— Reception and Year 6

Reception and Year 6 have been focusing on important life skills this week by taking part in an interactive first aid session with 'Mini First Aid' leader Kate.

The children were taught how to put someone in the recovery position, complete CPR and treat minor cuts and burns, with Reception learning how to put on plasters correctly and how to make a 999 call.

It was fantastic to see all of the children show such mature and positive attitudes as they completed their activities.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
