Dear parents/carers,

During the Summer Term, the children in Year 4 have focused upon The Vikings and would like to invite parents/carers to the fantastic finish of their topic on the afternoon of Thursday 14th July, 2pm – 3pm.

The children and staff will be planning, preparing and cooking a feast fit for any Viking ready for you to see and try the finished product!

Before you arrive, the children will have researched and thought about foods that Vikings would have had to grow, source and use to make their meals. They will have planned the meals and we will have cooked these in similar ways to how the Vikings would have, using the food technology resources we have here in school. All foods will have detailed ingredients listed for you to be able to see what has been used in preparation to ensure all allergies and dietary requirements are catered for, if you choose to sample the food.

We hope this afternoon provides a memorable experience for the children and look forward to welcoming you in to our classrooms. Please contact any member of the Year 4 team if you have any questions or queries. Permission slip below to be returned by Monday 11th July.

Thank you for your continued support,

Mrs Gibbins
Head of School
