

### Sports Days– Reception and Year 1 & 2

After the unfortunate cancellation of Reception, Year 1 and 2 Sports Days last week, the children were even more keen to take part in their first Sports Day and it really showed! We started the Key Stage One event with the multi-skills race, which the children dove headfirst into! Then racing through hoops, over hurdles and under the net. The children then performed fantastically in a range of events such as the sack race, bean bag race, three-legged race and the wheelbarrow race. Eventually came the last race: the 70m sprint. This is a well loved event and they made sure to finish our Sports Days with tremendous effort and some incredibly fast racing! Finally, in the afternoon, with such a great turnout it only made sense to continue the Perry Hall tradition of a parent race! Thank you to all the parents who attended and took part in the race, cheered on by our wonderful children. All the events were a huge success, with the children showing sportsmanship, determination and teamwork. We hope you enjoyed seeing your children's first Sports Days!

### Wednesfield in Bloom 2022— Perry Hall's Wheelbarrow

Over the past few weeks, Gardening Club have been busy working away on Perry Hall's contribution to this year's Wednesfield in Bloom competition. Our wheelbarrow will become part of the display outside of the Gurdwara in Wednesfield. Judging takes place today—we are sure that Wednesfield will look incredible!

## Perry Hall News!

Friday 8th July 2022

**A Place to Grow**

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### Year 6's Enterprise Week

Last week, Year 6 separated in to five teams to recommence the fierce competition of Enterprise Week. Mrs Bellingham was eager to reclaim her title and so ventured back to the top corridor from Year 2. Each group worked together to plan, make and sell their own products, considering what they thought would sell best. The groups nominated managers and assistant managers and then allocated roles of finance, marketing, product making and pitch. They completed market research to find out more; used this to make final decisions for their product before creating adverts and jingles to market them further. An extra challenge was to create a 'Dragons Den' pitch of their product - persuading members of our governors and staff to invest in them. Team Pop and Rock were awarded an extra £10 for winning the investment pitch; however, all the children were given outstanding feedback for their persuasive pitches. On Friday, children from Years 1-5 had the opportunity to purchase the children's products. All of our Year 6 children shone in their abilities to communicate and sell: some taking young children under their wing to support them in counting coins and change; some being a little more vocal with their persuasions! Congratulations to team Kool Keepsakes who won with the largest profit made overall. However, a massive congratulations to all of Year 6 who, together, earned a huge profit of £632.50 to put towards their leavers celebrations. Well done everyone! Thank you, family members, for your continued support and donations towards Year 6's enterprise fair - Year 6 are very grateful.

### Meet Your Child's New Class Teacher

If your child is moving in to Years 1-6, you are invited to attend school between 2 and 3pm on Wednesday 13th July to meet your child's new class teacher (if you have more than one child in school, you will be able to switch between their classrooms). During this session, information will be shared regarding next academic year to ensure you are as prepared as possible. Your child will also take part in a task during this session where they will be setting aspirations for the future.

### Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
