A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Year 3's Field Work Day

On Tuesday, Year 3 explored their local environment through outdoor learning. Pupils discussed the geographical features of Perry Hall Park and created their own, detailed sketch maps. Pupils also explored local habitats and the factors which impact plant growth.

Well done to all children for their hard work!

Year 4's Viking Feast

This week the children in Year 4 researched and planned what a typical Viking meal would be before deciding on a stew with berries and soured milk (which we substituted for sour cream) for dessert. On Thursday, the children spent the morning preparing the vegetables for the stew, including some freshly picked herbs from our grounds. The afternoon was spent enjoying the cooked food with friends and family members. Thank you to everyone who came to share our meal with us and special thanks to the kitchen staff for their help with cooking.

Transition– Meet the Teacher sessions and transition information

Over the past two weeks, we have sent out lots of communication (letters, newsletters, transition Meet the Teacher sessions/presentation and transition booklets). I do hope that you have found these useful in your and your child's preparations for next academic year. All transition PowerPoints and transition booklets have been uploaded onto our school website and can be found here:

<https://www.perryhall.co.uk/class-information-2022-2023/>

We are really looking forward to a smooth transition for your child into their new year group in September. If you have any questions or concerns then please do not hesitate to contact us.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
