HOW WE KEEP YOU SAFE AT PERRY HALL PRIMARY SCHOOL

It is the job of your teachers and parents to make sure that you are always safe.

Our new Child Friendly Safeguarding Policy

> This is a smaller version of our school's safeguarding policy to help you understand how we keep you safe.

At Perry Hall, we do our best to help and support all of our children and their families by making sure that anybody can ask us for help at any time, and that your teachers will know what to do to help.

We have rules to follow if we believe someone is not safe. We work together to protect them. We may ask other professionals to help protect that person too.

If someone, inside or outside of school, behaves in an unsafe way towards you then talk to us and we will help.

There is a handout for you to take away today.

Perry Hall's Summer Maths Times Tables Challenge (Year 1 – Year 6)

Multiplication has a tremendous impact on all areas of maths; it is important that your child regularly practises their times tables at home to develop this skill. Children can learn their multiplications in many different ways and what works for one child, may not work for yours. We encourage parents to try a variety of methods including: rote, games and singing. Please practise and ensure that your child knows:

Expectations for times tables for each year group				
Year 1	Count in multiples of 2, 5 and 10. Recall and use all doubles to 10 and corresponding halves.			
Year 2	Recall and use multiplication and division facts for the 2, 5 and 10 times tables including recognising odd and even numbers.			
Year 3	Recall and use multiplication and division facts for the 3, 4 and 8 times tables.			
Year 4	Recall and use multiplication and division facts for tables up to 12×12			
Year 5	Revision of all times tables and division facts up to 12×12			
Year 6	Revision of all times tables and division facts up to 12×12			

Perry Hall is a no nut school, please do not send in anything containing nuts.

Healthy Eating

The Government states: Food served/consumed in schools and academies in England must meet the school food standards so that children have healthy, balanced diets.

The food standards states the following (which applies across the whole school day):
