

Collecting your child from school

You will be required to inform the office of a password for your child and the person(s) who will regularly collect your child from school at the end of the day. That person will be asked for the password if not familiar to the staff dismissing. **If any other person will be collecting your child you must inform the office before the end of the school day, that person will be required to show proof of identity and know the password.** This is done to ensure the safety of all of our children. Please be patient during these initial weeks as our staff familiarise themselves with you.

Change of Details

If you change your address, telephone number or any of the emergency contact numbers, it is important you let us know as soon as possible. It would be helpful if you do this via the school office.

Attendance

Education law requirements are as follows: Parent/Carer's have a duty to ensure their child/children's regular attendance at school and failure to do so is an offence under section 444(1) of the Education Act 1996. **Good attendance leads to good progress.** Should you however choose to take leave of absence during term the school attendance policy makes it clear that this absence will not be authorised and school has a duty to inform the Education Welfare Service who may issue a Penalty Notice. A Penalty Notice of £60 could be imposed per child and per parent. If this is not paid within 21 days of receipt of the notice, then the cost may escalate or there is risk of prosecution.

Absences

We are required by law to notify the Local Authority of any unauthorised absences of children, as this will be recorded as truancy. It is vital that you notify the school by telephone in the first instance. If a message is not received, the absence is marked as unauthorised and a home visit may occur to check that your child is safe. We are also monitoring and acting upon persistent lateness. Please be aware that on occasion medical proof will be required for absences over three days.

Medication

If your child requires medication in school it must be sent in via the school office so that the appropriate forms can be completed. If your child has ANY special medical needs please see your class teacher to discuss them. Medication must be prescribed and in original packaging.

We hope your child has an enjoyable experience this upcoming academic year at Perry Hall Primary School.

Snacks

Children are encouraged to bring a named bottle of water/ flavoured water each day. We ask that this is not fizzy drinks or squash as we are a healthy school, as well as sending in a healthy snack for morning break time, e.g. fruit, vegetables or other healthy alternatives.

Helping your child at home

Reading: Your child needs to read daily with an adult at home. Their books will be changed regularly. Please question your child about what they have read and record this in their reading record. At school, teachers will focus on children's reading skills through Guided Reading lessons.

Homework

	Day handed out	Day to be returned
Homework (Maths and English)	Friday	Wednesday
Reading Books	Friday	Wednesday

If your child is still on the RWI phonics programme, your child will receive weekly spellings. If they are not, they will follow our RWI spelling scheme—spelling practise takes place within the school day and no weekly spelling are sent home.

A topic grid of activities which your child may wish to participate in will be distributed each term.

Maths: Help your child to learn their 2, 5 and 10 times tables and work towards learning their 3 and 6 times tables as they will regularly use them throughout their school life. Please use Times Tables Rockstars to regularly practise and encourage your child to take part in weekly challenges and battles.

Support your child to mathematically problem solve and reason in real life situations wherever possible (e.g. measuring ingredients, calculating money).
