Christmas Card Project – Art Projects for Schools

Dear parents/carers,

We are excited to announce that this year we will once again be participating in the Christmas Card Project with Art Projects for Schools Ltd (APFS). The project is a great opportunity to recognise and celebrate your child's creativity, whilst raising some funds for school, and the items your child makes are wonderful festive gifts, for family and friends.

The artwork your child has created will be reproduced in full colour onto greetings cards that are available in packs of 12. Additional items will also be available, such as a pack of 6 luxury, gloss-coated cards, gift tags, mugs, tote bags and wrapping paper.

Very soon we will be sending your child home with the artwork they have created, so please keep an eye out for this. On the reverse of their artwork there will be a sticker with a unique code attached to it. To order, you will need to visit www.apfsorders.co.uk and input this unique artwork code, along with your child's first name and surname. **You will then need to hand back your child's artwork to your child's class teacher so that it can be sent to APFS for scanning.** Don't worry, we will provide you with further information of this once the artwork has been completed.

Yours sincerely,

Mrs Gibbins
Head of School.
