

Tuesday 29th November 2022

Dear parents / carers.

Our Year 6 annual residential is fast approaching. We are all very much looking forward to sharing this wonderful experience with your child; creating memories and giving them the opportunity to increase their confidence and independence with the exciting activities Laches Wood offers.

We understand that the prospect of a week away can be a daunting for both parents and children, therefore we will be holding a parent meeting on **Tuesday 13th December at 3.30pm** (after Y6's festive Craft and Carols afternoon).

During this meeting, we will share a presentation providing more information about the residential and kit that your child will need, alongside a timetable for the week which will include the type of activities your child will participate in.

Children will be attending Laches Wood from **Monday 16th to Friday 20th January 2023**.

Please visit <https://www.entrust-ed.co.uk/services/our-centres> for a taster of the adventures which our children will have during the visit.

Thank you for your continuing support.

Yours sincerely,

Mrs C Gibbins
Head of School
