

Farm on Wheels visits Perry Hall (Two's and Nursery)

On Friday 9th December, our Nursery and Terrific for Two's children had a lovely session learning all about some of the animals from the Nativity story when the 'Farm on Wheels' came to visit. The children enjoyed a hands on experience, meeting different animals. They were able to stroke the animals; the donkey, sheep, rabbits, guinea pigs and the rat.

KS1 Christmas Performance—Let's Have a Party

Well done to all of the children in Key Stage One for their fabulous performances of 'It's a Party'. The children did an amazing job and they have enjoyed learning all of their parts. A special well done to those children that stepped into different parts at the last minute due to absences. We would also like to thank all of the parents for their continued support with helping the children to learn their lines at home and providing costumes.

Year 6 Christmas Crafts and Carols

Year 6 had a wonderful afternoon on Tuesday 13th December, making Christmas tree decorations with their grown ups. The attention to detail they all showed was fantastic with the grown ups especially embracing the craft and glitter; most not wanting to stop at the end of the session! Collectively they made beautiful keepsakes which we are sure will take pride of place on their trees at home.

Following this, Year 6 children shone in their performances of Silent Night, On a Starry Night, Born in the Hay (well done to our soloists!) to begin with. I Wish it Could Be Christmas Everyday could be heard far down the corridor with the grown ups joining in, and our carol session ended with Signing Club signing along to We Wish You A Merry Christmas. Thank you to everyone who attended.

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Happy Christmas....

As we approach the end of a busy Autumn Term, I would once again like to thank our whole Perry Hall community—pupils, parents, staff and governors—for another fantastic term at Perry Hall. The term has been filled with an array of exciting opportunities and events for your children and their families—your support with these has, as always, been invaluable.

I really hope that you have enjoyed joining your child in school over the last few weeks to either watch a performance, join in with carols and crafts or join us for a Christmas themed stay and play session. It has been wonderful to have so many families join us in school. I know that both the staff and children have worked exceptionally hard and have enjoyed pulling these together for you.

I look forward to welcoming children back into school on Tuesday 3rd January. I wish you a very Merry Christmas and a Happy New Year and hope that you are able to enjoy some quality time with your families.

Thank you for your continued support. Claire Gibbins. Head of School.

Junior PCSO Training and Graduation

Towards the end of this term, a selection of Year 4 pupils graduated from the 'Wolverhampton Junior PCSO Programme'. The programme has consisted of seven weekly sessions with two Police Officers where they have been completing a variety of activities to help them support our community, and promote safety within our school. The sessions have consisted of learning the Phonetic Alphabet, discussing important aspects of Road Safety, Bullying and Online Safety, and also identifying Anti-Social behaviour and knowing what to do about it.

Our Junior PCSOs have worked incredibly hard throughout the Autumn Term and received their certificates in a graduation assembly in which Years 3, 4 and 5 came and supported. We look forward to seeing the brilliant work they do around our school promoting safety!

Year 3 Christmas Crafts and Carols

Year 3 had the most fantastic afternoon performing Christmas Carols to their parents and then completing crafts ready to take home and place upon their own Christmas trees. The children sang four carols beautifully, including the Spanish sensation 'Feliz Navidad'

Once the singing had finished, the children then created a range of crafts by first planning their design and then creating this collaboratively with the help from their grown ups accompanied by some Christmas music. A wonderful afternoon was had by all and it was brilliant to see so many of our Year 3 parents in school celebrating what was a wonderful occasion.
