Times Tables Rock Star Sessions

Dear Parents/Carers,

As you are aware, children in Year 4 will be completing their statutory multiplication times table check in June 2023. To support the great progress that children are currently making with the learning of their times tables, we are excited to offer an additional learning opportunity in the form of a 'before school club'.

This before school club will take place from 8am-8.30am every Monday morning, beginning on Monday 23rd January with children entering via the main school office. During the session, they will practise their times tables and Year 4 staff will support them with developing strategies to best tackle the MTC.

Due to the early start, children will be offered some breakfast including toast, fruit and drinks to fill their tummies ready for the day ahead. Please note, there is no charge for this session, we just ask that your child is in school on time (8am) ready to rock out.

If you would like your child to attend, please complete the reply slip below and return to their class teacher by Thursday 19th January.

Thank you for your continued support,
Yours sincerely

Mrs C Gibbins
