

30th January 2023

Dear parents/carers,

We are excited to share that, to enrich your child's curriculum experience in Year 3, both classes will be visiting **Lapworth Museum of Geology at the University of Birmingham** as part of our spring term topic 'Rocks and Fossils'. This is a half-day trip and, due to the size of the museum, there is a limited capacity of 30 pupils per visit. Therefore, Year 3 classes will be visiting the museum on the following dates:

| Class | Trip Date |
|-------|------------------------------------|
| 3AG | Monday 13 th March 2023 |
| 3CF | Friday 17 th March 2023 |

For class 3CF, please be aware that this trip will not impact our normal school hours. All pupils are expected to return to school for 1pm ready for their normal 1.15pm Friday collection time. You will be notified via text if the collection time is delayed due to traffic.

As part of the day, Year 3 children will take part in a fossil hunt around the museum and take part in an activity in the museum's own classroom, including the opportunity to make their very own salt dough fossil. Back at school, all pupils will take part in a related history lesson following their visit where they will discover more about the famous allosaurus (Roary) who they will visit at the museum.

We ask that the children arrive at school promptly on each of their trip days at the usual time of 8.35am, ready for us to leave at 9am. **The coach will arrive back at school at 1:00pm on both days ready for pupils' usual collection times.** Children will need to wear their usual school uniform.

Your child is required to bring a packed lunch (including a snack for earlier in the morning) and water bottle for the day. If your child is in receipt of free school meal and you would like for them to have a lunch provided from the school kitchens, please indicate this on the slip below. Lunch will be eaten upon the children's return to school.

The **cost of this trip is £10.00 per child**, to be paid via ParentPay.

All trips and residentials need to be paid in advance as per the dates detailed below. Therefore, **all funds need to be received by Monday 6th March 2023**. If insufficient funds are received, then the trip will unfortunately be cancelled. **Please return the slip attached no later than Monday 6th March.**

Any queries or concerns please contact your child's class teacher or a member of the senior leadership team. Thank you for your continued support.
