

RWI Parent/Carer Workshop— 10.01.23

On Tuesday, Perry Hall hosted a phonics workshop to Reception and Year 1 parents. The aim of the workshop was to inform parents/carers about the Read Write Inc (RWI) phonics programme that is taught at Perry Hall. Parents/carers gained an insight into how RWI is taught to our children and how to use the accompanying videos that are sent home weekly, to support children in learning their sounds. Thank you to those that attended the workshop: we hope that you found this useful. The RWI workshop presentation can be found on the school website: <https://www.perryhall.co.uk/rwi-phonics-presentation-13-01-23/>

Year 6 Tom Palmer Workshop

Year 6 were lucky enough to take part in a virtual workshop with the award-winning children's author, Tom Palmer on Thursday. Prior to the workshop, the children researched Tom Palmer and his journey in to becoming an author! The workshop was a huge success with Tom actually teaching our children (live) how to edit a piece of writing. This was then followed by a live Q & A session where the children could ask their own questions. Well done Year 6! You were brilliant. We can't wait to see you use Tom's editing process in your own writing!

Coffee Morning– Reflexions– Wellbeing

Perry Hall work closely with the local authority team called Reflexions: a Well Being service who offer support to children, parents and staff. On Wednesday 25th January at 9am, you are invited to join us in school for a coffee morning & to meet the Reflexions team who will deliver a short presentation. On this information gaining occasion, your child will not be joining you for the coffee morning.

The aim of the coffee morning is to:

- *Introduce the Reflexions team as a well being service.
- *Understand child anxiety.
- *Support transitions to secondary school.
- *Promote mental health and well being.
- *Support parental interventions.
- *Provide tips on dealing with stressful situations.
- *Deal with child emotions.

Come along to meet the team & find out more.

Special Menu—Thursday 19th January

Perry Hall News!

Friday 13th January 2023

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Wolverhampton City Lifestyle Survey.

Wolverhampton are currently running a survey for all residents aged 16+. The aim is to explore factors which affect resident's lifestyles. For every anonymous response they receive they are pledging £2.00 to schools, in the form of vouchers to go towards sports or classroom equipment. Information from this survey will be used by the Council to plan future service provision across the city with the aim of providing better support for the health and wellbeing of Wolverhampton residents.

The survey is anonymous and does not ask for your name or any contact details. It covers a range of subjects, including access to GPs, physical activity levels and community safety. At the end of the survey, you will be able to select Perry Hall Primary School from a drop-down list to enable the £2 pledge. It can be expected to take less than 10 minutes to complete and can be accessed via this web address:

www.wolverhampton.gov.uk/lifestylesurvey

We would really appreciate it if you could spend a few minutes completing the survey. The closing date is Tuesday 31st January.

Perry Hall's Recommended Reads

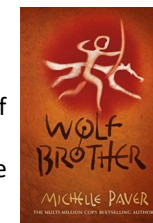

To promote reading within our school community, as part of our weekly newsletter, staff from Perry Hall are going to be recommending different books and stories that children throughout our school can read based on their own recommendations!

Look out for our Spring Reading Newsletter which will be sent out shortly too!

Mrs Holdcroft's Recommended Read of the Week

I really enjoyed reading the Chronicles of Ancient Darkness series by Michelle Paver (suitable for **UKS2**), starting with Wolf Brother. I really enjoyed how she switches perspective from Torak (a prehistoric orphaned boy) and Wolf; especially when she describes things in Wolf language like 'the fast wet' for a river. Full of adventure and excitement!

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
