

**Rock Steady Music**  
On Monday morning, all children had the opportunity to watch a fantastic assembly where a musician from 'Rocksteady Music' played many instruments and showed the children how each instrument worked, even the electric guitar and electric drums!

The children then took part in a workshop, where some children were chosen to play the instruments and form a band. In Key Stage 2, the band was called 'Siam Pasta' and they sang 'I Love Sausage Rolls' to the tune of 'I Love Rock and Roll'. The children thoroughly enjoyed this and demonstrated their super understanding of the music dynamics and tempo! All children were engaged in the assembly, workshops and showed super listening skills and their love of music—well done Perry Hall!

**Year 6's Residential to Laches Wood**

Year 6 have had a wonderful week away at Laches Wood (even with the surprise weather change!)

Pupils have demonstrated our school core values consistently throughout the week particularly improving their independence through their resilience, determination and supporting one another throughout. Well done Year 6 - you have represented our school brilliantly and we are so proud of you all.

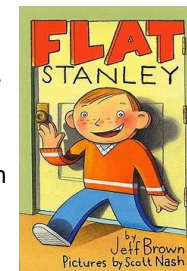

**Staff Car Park Access— Accessing the Early Years side of the school site**

Due to the barrier being reinstalled on the main staff car park this week, accessing drop off/collection points for our Early Year's children (including Two's) will no longer be via the carpark entrance. Please ensure you follow the pathway around the edge of the car park when accessing the school site. **Parents/carers are no longer to access the staff carpark**

**Mr Fergusson's Recommended Read of the Week**

This is a fantastic read for children in Key Stage 1 and 2, and is a book of choice for my children at home before bedtime. Stanley Lambchop is an ordinary boy suddenly faced with an extraordinary problem, but displaying some of our core values, he chooses to be resilient and tackle the problem head on. This inventive story is full of wit and humour and is sure to intrigue young readers.

### Are you this week's star of the week?
