

Thread cereal hoops onto a pipe cleaner or straw using your thumb and fore-fingers to make an easy, tasty snack for the birds. Bring it into school or take a photo of your finished bird feeder.

Make binoculars out of cardboard tubes to look at the wildlife in your garden.

Use an old box to make a bird feeder to encourage birds and other wild things to visit near your home.

Reception Homework Project

Select some of these ideas to present your findings about **Wild Things!**

Return your project/photographs to school by Monday **3rd March 2023**.

Write about when you feel 'wild.'

[Where the Wild Things Are Book Read Aloud | Children's Books Read Aloud | Bedtime Stories - YouTube](#)

Listen to the story with a grown up.

Record your favourite part.

Create a wild thing sculpture.

Use some describing words to tell us about a sock monster or wild thing sculpture you have made.

Sharp teeth, pointy ears, stripy.

Make a wild thing sock monster.
