Football Match: Perry Hall v Woden Primary

On Thursday, the girls' football team played against Woden primary. Perry Hall girls showed a no-give-up attitude throughout the whole game. Every single player gave their all and worked extremely hard to get the end result. Perry Hall girls won 3-0 by the end of the match.

They passed, communicated and tackled as a team. Every girl gave their all and should be extremely proud of that result.

Girls, I am so proud of the hard work you put in, playing 3 games now and winning 3 is a great achievement! Let's keep working and keep dreaming big!
Proud of you all.

Mr.B

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

Children's Mental Health Week 2023 and Inside Out Day!

The children at Perry Hall have had a wonderful week celebrating Children's Mental Health Week 2023. We have discussed strategies to keep our mental health positive and how it is ok to not always feel ok. Pupils across school completed work along the theme of 'Let's Connect' where children in Key Stage 2 played games of bingo, finding children in their class such as 'a good friend' or 'likes to try new

things' and pupils in Key Stage 1 identified people who they are connected to through friendships, family, pets and their feelings towards them. Our Healthy Schools Ambassadors created posters to celebrate this and promote our 'Inside Out Day'; to represent how someone looks on the outside doesn't necessarily reflect how they are truly feeling on the inside. Children in all year groups came in to school on Friday wearing one item of their uniform inside out and used this to talk about how they feel inside and how this is sometimes different to what they show.

digitalambassadors

Safer Internet Day 2023

A huge well done to our Digital Ambassadors from Years 1 to 6 who bravely spoke in assembly (in front of over 400 children!) to share their advice and tips for staying safe online. In addition to our assembly on Tuesday, children across Key Stages 1 and 2 have taken part in internet safety activities as part of their afternoon lessons. For more information to help your child online please go to: [Parents and carers - UK Safer Internet Centre](https://www.saferinternet.org.uk/)

Mrs Merricks' Recommended Read of the Week

The book I have chosen for my recommended read is one that I have loved reading recently with my daughter. "I Love You to the Moon and Back" by Amelia Hepworth is such a loving poetry book for ages 2-5 years – but it can be enjoyed by everyone!

It is about a bear reciting a poem to their baby cub. Even though this book is very short, it sends a powerful and heartfelt message to many readers. I find it so magical how stories can grip our children at such a young age; this is a book for all ages to read, enjoy and treasure.

Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
