

### Sparks Fire Safety Workshop—Year 4

On Wednesday, Year 4 took part in 'Sparks': a workshop delivered by the West Midlands Fire Service, which informed the children about how to stay safe in their homes and vehicles.

Children were also told about the free home fire safety check which you can book here [Safe and Well - West Midlands Fire Service \(wmfs.net\)](http://Safe and Well - West Midlands Fire Service (wmfs.net))

The session ended with a demonstration of the fire engine and equipment - a very exciting afternoon!

### Football Match:

#### Perry Hall v Stowlawn

On Thursday, Perry Hall hosted Stowlawn. It was a great game for both ends of the field. Unfortunately, with a minute to go, we conceded a goal to give Stowlawn a 2-1 win. However, both boys and girls worked incredibly hard and gave their all for the team.

Well done Perry Hall: the result didn't go the way we wanted but the teamwork and dedication certainly did.

Keep your heads up, I'm proud of you all! Mr B.

## Perry Hall News!

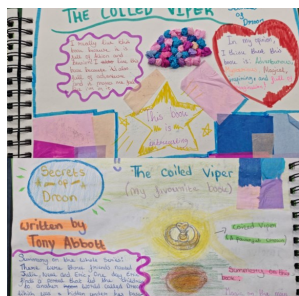

Friday 17th February 2023

A Place to Grow

Welcome to Perry Hall News, a weekly newsletter to celebrate our achievements and keep you up-to-date with upcoming events.

### Reading Journals

Our 'Journeys of Reading' are well underway across classes in Key Stage 1 and Key Stage 2. Staff launched the reading journals with their own piece of art work and writing to one of their favourite books, and now the power is in the hands of our children and what a fantastic job they are doing already! It's been so lovely to see our children's responses to some of their favourite books. We can't wait to see what else our children produce in their journey of reading!

### Important Dates

- 20.02.23 – 24.02.23- Half Term Holiday.
- 27.02.23- Start of Spring Term 2.

### Year 2 Residential to Kingswood

Year 2 children embarked on a two-night residential at Kingswood this week. For most children, this was the first time that they had spent any time away from the parents/care givers, which they coped phenomenally well with. We couldn't have asked for better weather! The sun was out, coats were off and children got involved with many activities which pushed them out of their comfort zone. Children drew upon their communication skills during team building activities, built buggy boards, completed caving, zip lines, climbing, aeroball, bushcraft and a scavenger hunt. The evenings were filled with delicious food, campfires and a mini Olympics tournament. The children had an absolute blast and did not want to go home. Well done team Year 2, we are so proud of how you represented Perry Hall!

### Mrs Wardle's Recommended Read of the Week

Myself and my two daughters have been enjoying reading *Jake in Danger* by Annette Butterworth. This book is about a likable child who goes on adventures with his friends. He often has to solve mysteries and can quite often get into a spot of trouble!

It's a brilliant read and I would recommend it for children within Key Stage 1 and Key Stage 2. The book has short chapters for new readers, quality colour illustrations and a fast pace. Please enjoy!

### Are you this week's star of the week?

A child from each class is chosen as Star of the Week for doing something special during that week. It may be related to their work, behaviour and/or their attitudes to learning.
