Year 6 SATs and Leavers arrangements

Dear parents / carers,

SATs Revision

Your child has worked exceptionally hard this year and we fully appreciate that they need lots of rest and recuperation over the Easter holidays. However, when we return to school after the break, the SATs tests (week beginning 8th May) will be nearly upon us. Therefore, we recommend that your child engages with some of the attached material so as not to put back all of the hard work they have put in so far. Accompanying this letter are revision materials for SPaG, Reading and Maths. We suggest that children take around 10mins for each topic, each day, to keep the methods and skills they have acquired this year fresh in their minds.

In addition to these materials, we also recommend your child taking the time to practise their skills online using the following recommended websites:

SATS Week

If your child attends morning or afterschool boosters, these will continue after Easter and up until SATs week (no boosters will take place during SATs week or thereafter). If your child has signed up to an after school enrichment club for the Summer Term, they should begin these during the week of or the week after SATs to avoid clashes with boosters.

Breakfast Club

SATs week is an extremely important time for everyone. As a reward for all their efforts (and an incentive to get all children into school on time and their 'brains in gear') we will be offering a free Breakfast Club, held in the infant hall and just for the Y6 children, from 8.00 to 8.35am on the Tuesday, Wednesday, Thursday and Friday morning of the SATs week. Children will be able to come and enjoy a breakfast of cereals, crumpets/toast/muffins and juice with their friends and then go into class on time with a positive frame of mind. We hope that all children will take advantage of this treat – they deserve it! Please fill out the form attached, identifying whether your child will or will not be attending the Y6 Breakfast Club and return it by Friday 21st April so we know how many children to cater for.

Voting Day

Advanced notice: On Thursday 4th May, school will be closed to all pupils from Two's – Year 5 as we are a polling station for Voting Day. However, due to SATs taking place the following week, Year 6 pupils will still be expected to attend school during the morning. We will be inviting children to have breakfast in school at 8:30am, entering via the school office, and following this they will then work in usual groups until 11:30am where they will have a year group competition of their choice with Mr Boneham. At 12pm they will need to be collected from our usual exit. Please complete the permission slip attached to confirm your child's attendance and return to school by Friday 21st April.

If your child is unable to attend, please speak with Year 6 staff or a member of SLT. We are sure you understand the importance of your child joining us on this day.

Leavers Preparation

Following SATs, we will begin our preparations for our leaver's celebrations as the children begin their secondary transitions. More details will follow at a later date; however, we would like to take initial numbers for the following:

- Leavers Hoodies at approximately £25 each
- Yearbooks at approximately £10 each
- Tickets for the Year 6 Leavers Party / 'Prom'

For advanced notice, the **Leavers Party (or 'Year 6 Prom')** will take place on **Friday 21st July 2023** at Ashmore Park Hub from 5-7pm.

If you intend to purchase one or more of the above, please indicate on the slip attached and return to school by Friday 21st April.

Thank you for your continued support. Please do not hesitate to contact us with any remaining questions or concerns.

We hope you and your child(ren) have a well-deserved Easter break.

Yours sincerely,
Mrs C. Gibbins
Head of School
